During the second half of the financial year, the Company's operations were significantly impacted by the COVID-19 outbreak and the unprecedented and uncertain market conditions it created. During the COVID-19 impacted period, the commitment from the Directors increased significantly with a number of additional Board meetings scheduled to enable the Board to guide the Company and management with decision making during that uncertain period.

Day to day management

The CEO oversees the day-to-day management of the business. The CEO holds regular meetings with all of his direct reports on both a formal and informal basis and tracks progress against budgets. The CEO also has responsibility for developing and implementing corporate strategies and making recommendations on significant corporate strategic initiatives. Senior management has the authority and is responsible for all other actions, which have not been expressly reserved to the Board.

Information regarding directors – Recommendation 1.2

Accent Group undertakes appropriate due diligence in respect of prospective candidates before appointing a person, or proposing to its shareholders a candidate, as a director. Further, Accent Group provides its shareholders with all material information to assist its shareholders in deciding whether to elect or re-elect a director.

Agreements with directors and senior managers – Recommendation 1.3

Accent Group has agreements in place with each Director and senior manager, which outlines the terms of their appointment. Each Director has signed a letter of appointment and each senior manager is employed under an employment agreement.

Accountability of the company secretary – Recommendation 1.4

The joint Company Secretaries have a direct reporting line to the Chairman and all Directors have direct access to the joint Company Secretaries, who are appointed by, and accountable to, the Board on all governance matters.

Accent Group Diversity Policy – Recommendation 1.5

The Company has established a Diversity Policy which is available on its website. The Diversity Policy must be adhered to under the Code of Conduct.

Diversity includes differences that relate to gender, age, ethnicity, disability, sexual orientation and cultural background. It also encompasses differences in background, life experience, style, skills, formal training and education and functional expertise. The Company is committed to establishing and actively encouraging diversity in its workforce. It recognises the benefits of a diverse workforce that brings together a range of skills, perspectives, talents and experience. The Company further recognises the importance of diversity at all levels of management in:

- † Driving business results;
- † Creating, implementing and refining business strategy; and
- † Attracting and protecting the Company's employees.

The Diversity Policy is based on the following core principles:

- † Meritocracy – decisions about recruitment, development, promotion and remuneration are based on performance and capabilities, and will be made fairly and transparently.
- † Diversity – a focused effort on promoting diversity is not inconsistent with a system based on meritocracy. Diversity, if implemented correctly, stands to

enhance performance and capabilities of the Company.

- † Safety and support – as a Company we do not tolerate unlawful discrimination, bullying or harassment and seek to provide a safe work environment by taking action against individuals that engage in, or practices which promote, those behaviours.
- † Work/life balance – the Company recognises the need for flexibility in the workplace to accommodate the diverse needs of its workforce and their families and will consider practices such as flexible working hours and leave policies.
- † Business objectives – our commitment to diversity is an integral part of our ambitions for the Company and its commercial success, by attracting and retaining exceptional individuals and developing those individuals into leaders within the business.

The Company is committed to creating a culture within the workplace that reflects the core principles of its diversity policy. Everyone within the Company has a responsibility to embrace the diversity principles within their own sphere of responsibility. Ideally, the standard of behaviour expected from the Board, Senior Management and the Company's employees is as follows:

- † The Board will endeavour to promote and drive diversity across the whole of the business;
- † The Senior Management will implement the diversity principles at a team level, and foster a work environment where bullying, harassment and discrimination are not tolerated; and
- † Employees are expected to work collaboratively and to treat their colleagues and customers with respect, and at all times to be aware of the Company's policies regarding diversity and to comply with those policies.

A matter of central importance in the Company's Diversity Policy is enhancing the gender balance at all levels of the Company. The Company has implemented a number of initiatives to support its gender diversity objectives, including:

- † Actively encourage women to apply for vacant positions;
- † Providing flexible working arrangements, subject to operational requirements;
- † A paid parental leave program; and
- † Promoting opportunities for selection and promotion in a manner designed to

attract qualified women.

As at 28 June 2020, the total number of employees and the proportion of employees who are women and men are as follows:

Level	Total number	% of women	% of men
Board	6	17%	83%
Senior managers*	71	61%	39%
Other managers	513	64%	36%
Other employees	4,609	53%	47%
Total	5,199	55%	45%

* Senior managers are those individuals who collectively participate in determining and implementing major operational and strategic initiatives at the business unit level and who are responsible for the results of their respective business units.

The Company has not yet established gender diversity targets, as there is a strong commitment to ensuring and actively encouraging diversity in the workplace, which includes gender diversity, and ensuring the most qualified and appropriate person is engaged for each position. In addition, at each Board meeting the Directors review a gender diversity report in order to ensure that the policy is being effectively implemented in order to ensure gender diversity across the business.

Evaluation of the performance of the Board, its Committees and individual Directors – Recommendation 1.6

The members of the Board, actively led by the Chairman with the input and support of the CEO and Company Secretary, evaluate the performance and efficient functioning of the Board, its Committees and its members on an ongoing basis.

A review of the Board's performance was carried out within the last 12 months, comprising an internal questionnaire to obtain the Directors' view on what currently works well and areas for improvement, followed by a whole of Board discussion, led by the Chairman, to review the results of the questionnaire.

Evaluation of the performance of Senior Executives – Recommendation 1.7

The Remuneration and Nomination Committee is responsible for setting the performance criteria for executives, communicating those criteria to the executives and for assessing their performance against those criteria. In setting and measuring executive performance,

the Remuneration and Nomination Committee:

- † Ensures that the interests of the employee and the shareholders are aligned.
- † Ensures that performance hurdles, targets and KPIs are set so as to motivate the executives to achieve measurable outcomes that progress the long-term objectives of the Company.
- † Ensures that a performance review with the CEO and each of his direct reports (**Senior Executives**) occurs at least once per annum during the course of which at least the following topics are covered:
 - † The Senior Executive's performance relative to the KPIs set at the previous review;
 - † Any development objectives for the Senior Executive flowing out of the review;
 - † Revised or updated KPIs for the next review period;
 - † The amount of, and basis for, any increase in base remuneration; and
 - † The amount of, and basis for, any incentive or bonus awards.

This assessment was carried out for each of the Senior Executives during the year ended 28 June 2020.

PRINCIPLE 2 – STRUCTURE THE BOARD TO ADD VALUE

Nomination Committee – Recommendation 2.1

The Board has established a Remuneration and Nomination Committee responsible for, and advising the Board on, all remuneration and nomination matters.

Under the Remuneration and Nomination Committee Charter, the Committee is to develop criteria for Board membership and to identify suitably skilled, qualified and experienced individuals for director nomination.

The specific matters the Committee may consider in carrying out their responsibility include:

- † The appropriate size, composition and skills of the Board;
- † Developing criteria for Board membership and assessing the skills required on the Board;
- † Reviewing the skills represented on the Board and determining whether those

skills meet the required skills;

- † Reviewing the time required from a non-executive Director and whether Directors are meeting that requirement;
- † Induction and continuing professional development programs for Directors to develop and maintain the skills and knowledge needed to perform their role effectively;
- † Revising the membership of the Board;
- † Making recommendations to the Board on candidates it considers appropriate for appointment and reappointment;
- † Reviewing the retiring non-executive Directors' performance and making recommendations to the Board as to whether the Board should support the nomination of a retiring non-executive Director; and
- † Current industry codes and best practice.

The Committee is also responsible for preparing, and updating when required, a Board skills matrix setting out the mix of skills and diversity that the Board currently has or is looking to achieve in its membership.

The rules governing the appointment, removal and remuneration of Directors are provided for in the Company's Constitution and the *Corporations Act 2001* (Cth) (**Corporations Act**) and the following principles have been adopted by the Board:

- † The Directors may agree between them to appoint a new Director. The appointment must be ratified by shareholders at a general meeting.
- † The principal criterion for the appointment of a new Director is that such person is able to add significant value to the group and its business through having relevant skills and experience.
- † The Board also recognises the benefits of diversity in driving business results and setting business strategy and will take this into account in its appointment of new Directors. The Board will comprise Directors with complementary and appropriate skills necessary to discharge the duties of the Board in accordance with the Charter.
- † The maximum remuneration of non-executive Directors is the subject of shareholder resolution in accordance with the Company's Constitution and the Corporations Act as applicable. The apportionment of non-executive Director

remuneration within that maximum will be made by the Board having regard to the inputs and value to the Company of the respective contributions by each non-executive Director. The Board may award additional remuneration to non-executive Directors called upon to perform extra services or make special exertions on behalf of the Company (eg. perform the role of Chairman of the Board or a Board Committee).

The Remuneration and Nomination Committee's current membership is set out earlier in this Statement and the independence of the members is discussed below.

Board skills matrix – Recommendation 2.2

The Board considers that the Directors and senior management have the combined skills and experience to discharge their respective responsibilities.

Biographies of all Directors are included in the Directors' Report in the Annual Report, which highlights the extensive skills and experience that the Board collectively holds.

The Board recognises the importance of having Directors who possess the combined skills, expertise and experience to facilitate constructive decision making and follow good governance processes and procedures.

The table below outlines the mix of skills and experience considered by the Board to be important for its Directors to collectively possess. The Board considers that collectively it has an effective blend of these skills to enable it to discharge its duties and effectively govern the business and add value in driving the Group's strategy.

In addition to the skills and experience set out in the table below, the Board considers that each Director has the following attributes:

- Honesty and integrity;
- The ability to think strategically;
- The time available to devote to Accent Group's business;
- A willingness to question and challenge; and
- A commitment to the highest standards of governance.

All Directors are expected to use their range of relevant skills, knowledge and experience and to apply their judgement to all matters discussed at Board meetings.

Director independence – Recommendations 2.3 and 2.4

At the date of this report, the current members of the Board are:

- David Gordon (Non-executive Chairman), (appointed 19 October 2006)
- Daniel Agostinelli (Chief Executive Officer), (appointed 27 May 2015)
- Michael Hapgood (Non-executive Director), (appointed 27 May 2015)
- Donna Player (Non-executive Director), (appointed 23 November 2017)
- Stephen Goddard (Non-executive Director), (appointed 23 November 2017)
- Joshua Lowcock (Non-executive Director), (appointed 28 November 2019)

The number of Directors as specified in the Company's constitution is a minimum of three. At no relevant time has the Company had less than this number.

As at the date of this report, the Board comprises six Directors.

Daniel Agostinelli is a full-time executive and therefore not considered independent.

Of the remaining five non-executive Directors, four are considered by the Board to be independent – David Gordon, Donna Player, Stephen Goddard and Joshua Lowcock.

Notwithstanding the tenure of Mr Gordon, the Board considers him to be independent and the Company is well served by Mr Gordon's deep understanding of Accent Group and its business as a result of his longer tenure. Given Mr Gordon's tenure of over 10 years, the Board regularly assesses whether he has become too close to management to be considered independent. The Board recently conducted such an assessment and reconfirmed Mr Gordon's independence, on the basis that he is non-executive, not a substantial shareholder, conducts himself at arm's length in his engagement with the Company and brings his considerable skills and knowledge to bear on matters before the Board. Mr Gordon's approach to matters of the Board is always independent in both appearance and in fact.

Mr Hapgood is a substantial shareholder in the Company and is therefore not considered to be independent. In addition, he is related to two of the senior executives of the Company. However, as a non-executive director, Mr Hapgood is completely independent from the day to day operations of the business and therefore able to bring clarity and independent thought to matters before the Board. Due to his familial links, Mr Hapgood does not participate in any Board matters relating to management remuneration other than the CEO.

In addition, to facilitate independent judgement in decision-making, each Director has the right to seek independent professional advice at the Company's expense.

Using the information provided in the Recommendations as a guide, the Board regularly assesses whether each non-executive Director is independent. If a Director's independence status changes, this is disclosed to the market in a timely manner.

Chairman – Recommendation 2.5

The Board Charter requires the Chairman of the Board to be elected on merit with reference to experience, track record and the needs of the Company. The Board considers David Gordon, the Company's Chairman, to be an independent Director and as he is also not the Company's CEO, the Company complies with Recommendation 2.5.

Induction of new directors – Recommendation 2.6

The following protocols are in place to ensure that the Board can perform appropriately and discharge its duties efficiently:

- † New Directors are fully briefed on the business, its financial position, any material risks, the structure and functions of the Board and the structure of Management and provided with a copy of the Company's Corporate Governance documentation. A Director induction plan is in place to facilitate this.
- † Directors are given direct access to Management and the Company Secretary. These individuals provide Directors with all information reasonably requested of them in a timely and comprehensive fashion.
- † Directors are given the opportunity to seek reasonable independent, external advice at the Company's expense if circumstances warrant such advice.
- † The Chairman and CEO have regular contact with the Company's major shareholders and take on board feedback concerning the performance of the Board and its members.
- † The Company offers Directors an opportunity to undertake external professional development programs.

PRINCIPLE 3 – ACT ETHICALLY AND RESPONSIBLY

Accent Group Code of Conduct – Recommendation 3.1

The Accent Group Code of Conduct (the **Code**) governs the conduct of the Company and its subsidiaries and their respective directors, employees, consultants and all other people

when they represent the Company. A copy of the Code can be accessed on the Company's website.

The Code sets out the standards of behaviour expected from all Accent Group team members and is supported by the Company's Whistleblower Policy which is aimed at ensuring that individuals feel supported to come forward if they have information about serious misconduct as it relates to Accent Group. The Company considers that ensuring that team members are encouraged to speak up about such conduct is important in fostering and preserving a culture of good risk management and corporate governance. A copy of the Whistleblower Policy can be accessed on the Company's website.

PRINCIPLE 4 – SAFEGUARDING INTEGRITY IN CORPORATE REPORTING

Audit Committee – Recommendation 4.1

An independent Audit and Risk Committee has been established by the Board to protect the integrity of financial reports and to monitor and review the effectiveness of the Company's structures in the areas of operational risk and legal and regulatory compliance. The importance of an Audit and Risk Committee is universally recognised in the practice of good corporate governance and plays a key role in focusing the Board on matters relevant to the integrity of financial reporting.

Role and responsibilities

The Audit and Risk Committee has adopted an Audit and Risk Committee Charter that sets out the roles and responsibilities as well as the structure and composition of the Audit and Risk Committee. According to the Charter, which is available to view on the Company's website, the role of the Audit and Risk Committee is to assist the Board in fulfilling its corporate governance responsibilities with regard to:

- † The reliability and integrity of information for inclusion in the Company's financial statements;
- † Enterprise-wide risk management;
- † Review of legal and regulatory risks including audit, accounting, tax and financial reporting risks;
- † Compliance with legal and regulatory obligations including audit, accounting, tax and financial reporting obligations;
- † The integrity of the Company's internal control framework; and
- † Safeguarding the independence of the external auditors.

Membership

The members of the Committee are appointed by the Board.

The Audit and Risk Committee's current members, their qualifications and experience, the independence of the members and details of Audit and Risk Committee meetings and attendance by each Committee member are set out earlier in this Statement and the Directors' Report in the Annual Report.

CEO and CFO assurance – Recommendation 4.2

In order to create an environment for identifying and capitalising on opportunities, the Board has established a sound system of risk oversight and management. To encourage management accountability in this area, both the CEO and CFO provide written assurance to the Board, prior to approval of the Company's financial statements for each financial period in the financial year ended 28 June 2020, that in their opinion, the Company's financial records have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of Accent Group's financial position and performance, and that this opinion has been formed on the basis of a sound system of risk management and internal control which operates effectively.

External auditor – Recommendation 4.3

Accent Group's external auditor attends the Company's annual general meetings and is available to answer questions from shareholders on the conduct of the audit and the preparation and content of the auditor's report.

The appointment of, and dealings with, the Company's external auditor has been delegated to the Audit and Risk Committee by the Board. This includes:

- † Recommending to the Board the appointment, reappointment or replacement of the external auditor;
- † Agreeing the fees to be paid to the auditor;
- † Reviewing and approving the audit plans of the auditor;
- † Reviewing the overall scope of the audit, including identified risk areas and any additional agreed-upon procedures;
- † Considering the overall effectiveness and independence of the auditor;
- † Resolving any disagreements between management and the auditor regarding financial reporting; and

- † Monitoring and noting compliance by the auditor of the independence requirements imposed by the Corporations Act.

PRINCIPLE 5 – MAKE TIMELY AND BALANCED DISCLOSURE

Accent Group Continuous Disclosure Policy – Recommendation 5.1

The Company has established a Continuous Disclosure Policy, a copy of which is posted on its website. The objective of this policy is to ensure that the management and delivery of price sensitive information by Accent Group is done in a comprehensive and efficient manner that complies with the continuous disclosure obligations of the ASX Listing Rules and the Corporations Act.

The overarching principle of this policy is governed by Listing Rule 3.1, which requires the Company to immediately notify the ASX of any information that a reasonable person would expect to have a material effect on the price or value of Accent Group’s quoted securities, provided that the information does not fall within the exception to disclosure under the Listing Rules. The Policy provides for the exceptions to Listing Rule 3.1 as outlined in Listing Rule 3.1A. The Policy also takes into account the clarification provided by ASX Guidance Note 8 in dealing with Listing Rule 3.1.

The Board is responsible for ensuring that Accent Group complies with its continuous disclosure obligations by implementing and overseeing compliance with the Continuous Disclosure Policy. In practice, the Board delegates responsibility for making “routine” continuous disclosure to a Disclosure Sub-Committee. The Disclosure Sub-Committee comprises the Chairman, CEO, CFO and the joint Company Secretaries. Where disclosure is not “routine”, the input from all relevant Board members is sought before disclosure is made. The Disclosure Sub-Committee can and does seek outside expert advice in relation to disclosure matters from time to time.

The joint Company Secretaries are appointed and removed by the Board and are responsible for:

- † Ensuring that Accent Group complies with its continuous disclosure obligations;
- † Communicating with the ASX in relation to Listing Rule matters;
- † Overseeing and coordinating disclosure of information to ASX; and
- † Educating directors, officers and employees on Accent Group disclosure obligations, by reference to the listing Rules and the Company’s Continuous Disclosure Policy.

PRINCIPLE 6 – RESPECT THE RIGHTS OF SECURITY HOLDERS

Information about Accent Group – Recommendation 6.1

Accent Group provides a summary of the Directors and their biographical information on the Company's website, as well as copies of the Company's constitution, its Board charter, charters of its board committees and the various other policies referred to in this Corporate Governance Statement.

The Company also posts all the announcements it makes to the ASX on its website and makes them available for viewing for at least three years from the date of the announcement.

Shareholder Communication and Investor Relations – Recommendation 6.2

The Company has established a Shareholder Communication Policy, a copy of which is posted on its website. The purpose of the Shareholder Communication Policy is to promote effective communication with shareholders and encourage effective participation at General Meetings.

The Company is committed to maintaining direct, open and timely communications with all shareholders. The Board's policy is that shareholders are informed of all material developments that impact on the Company. The Company communicates information to shareholders through:

- † The publication of the annual and interim financial reports;
- † Disclosures to the ASX and ASIC;
- † Notices and explanatory memoranda of general meetings;
- † Updates and announcements to inform shareholders of key matters of interest issued on a needs basis;
- † Presentations to analysts (which are made available to all shareholders via the website); and
- † The Annual General Meeting.

Shareholder meetings – Recommendation 6.3

Accent Group's annual general meetings are convened at least once a year, usually in November. In relation to its meetings of shareholders, an explanatory memorandum on the resolutions is included with the notice of meeting and, unless specifically stated in the notice of meeting, all shareholders are eligible and are encouraged to vote on all

resolutions. A copy of the investor presentation is released to the ASX upon the commencement of the annual general meeting and the outcome of voting on resolutions at the meeting are released to the market after the conclusion of the meeting. Both documents are also posted on the Company's website.

If shareholders cannot attend formal meetings, they can lodge a proxy in accordance with the Corporations Act by mail or online.

Electronic communication with shareholders – Recommendation 6.4

Accent Group's shareholders can receive communications from, and send communications to, Accent Group and its security register electronically.

PRINCIPLE 7 – RECOGNISE AND MANAGE RISK

Risk Committee – Recommendation 7.1

In order to recognise and manage risk, the Company has established an internal compliance system allowing risks to be identified, assessed, monitored and managed. The Board is responsible for ensuring that sound risk management strategies and policies are in place. The Board has delegated to the Audit and Risk Committee the responsibility for identifying and overseeing major risks and the establishment and implementation of the risk management system.

All material risks affecting the Company, including both financial and non-financial, are considered by the Audit and Risk Committee. All Directors and senior management are encouraged to review the business for risk on an ongoing basis and to raise any risk issues of concern with members of the Audit and Risk Committee. These protocols form the basis of the risk management system.

This committee has at least one meeting per year to review and assess Accent Group's risk management framework and to review the implementation, management and maintenance of appropriate enterprise-wide risk management systems, policies and procedures, reporting protocols and internal controls.

The Audit and Risk Committee's current membership and the independence of the members are set out earlier in this Corporate Governance Statement. Details of Audit and Risk Committee meetings and attendance by each Committee member are outlined earlier in this Statement and in the Directors' Report in the Annual Report.

Management of risk – Recommendation 7.2

The Company has implemented controls at the Company and operating group levels that are designed to safeguard the Company's interests and ensure the integrity of its

reporting. These include accounting, financial reporting, tax risk management, safety, health and environment and other internal policies and procedures, which are directed at ensuring the Company complies with all regulatory requirements and community standards.

Comprehensive practices are in place to ensure that:

- † Capital expenditure and revenue commitments above a certain amount obtain the correct approval;
- † Financial exposures are controlled;
- † Safety, health and environment standards and management systems are monitored and reviewed to achieve high standards of performance and compliance; and
- † Business transactions are properly authorised and executed.

The Audit and Risk Committee reviews the effectiveness of the risk management system on an ongoing basis and is responsible for ensuring that the appropriate senior managers have established and implemented a risk management system throughout the organisation.

At each Board meeting, the CFO provides a report on any material risks identified since the last Board meeting and a comprehensive review of the steps taken to mitigate or remove material risks identified. All risks, including any identified weaknesses in internal controls, are thoroughly discussed. The Board provides the necessary guidance and authority to the relevant personnel to attend to the risk item or refers the item to the Audit and Risk Committee.

In addition to the above, the Company's external auditors provide the Audit and Risk Committee with a report detailing any identified risks at the completion of each half-year and full-year review. The Audit and Risk Committee discusses the report together with the auditors and any material items are referred to the Board.

The Audit and Risk Committee undertook a review of the Company's risk management framework during the reporting period. It is intended that this framework will be subject to another review during FY20, together with the consideration of risk matters on an ongoing basis.

Internal audit – Recommendation 7.3

Given the nature and size of the business and the relative frequency with which the non-

executive Directors interact with all levels of management, an internal audit function has not been established. For the same reason, a separate Risk Committee has also not been established, however the Audit and Risk Committee, as outlined in the paragraphs above, carries out the functions of a Risk Committee.

Disclosure regarding material exposure to specific risks – Recommendation 7.4

The Company is subject to risk factors that are both specific to its business activities and that are of a more general nature.

The Company does not currently have any material exposure to environmental or social sustainability risks. Accent Group manages its risk exposure in accordance with its internal enterprise wide risk management framework.

PRINCIPLE 8 – REMUNERATE FAIRLY AND RESPONSIBLY

Remuneration Committee – Recommendation 8.1

The Company has established a Remuneration and Nomination Committee which is responsible for regularly evaluating the performance of the Senior Executives. The remuneration of Senior Executives is based on the evaluation of specific criteria including the Company's business performance, short and long-term strategic objectives and the achievement of personal objectives.

The Remuneration and Nomination Committee has adopted a committee Charter, a copy of which can be found on the Company's website.

Role and responsibilities

The role of the Remuneration and Nomination Committee is to assist the Board in fulfilling its corporate governance responsibilities with regard to:

- † The Company's remuneration, recruitment, retention and termination policies for senior management including the CEO, CFO and other senior executives;
- † Remuneration policies for non-executive Directors;
- † Executive equity grants; and
- † Nomination responsibilities outlined earlier in this Statement.

The Board appoints the members of the Committee.

The Remuneration and Nomination Committee's current membership and the independence of the members are set out earlier in this Corporate Governance Statement. Details of Remuneration and Nomination Committee meetings and attendance by each Committee member are also outlined earlier in this Statement and in the Directors Report in the Annual Report.

Remuneration policies – Recommendation 8.2

The Company's Remuneration Policy is designed to ensure that the level and composition of remuneration is both competitive and reasonable. Remuneration is intimately connected to performance and is intended to be appropriate for the results delivered. The Group's remuneration strategy is designed to attract, motivate and retain high quality and high performing employees, while ensuring that the interests of employees are in line with the interests of shareholders.

Our strategy is guided by our vision to be the leader in the performance and lifestyle footwear market across Australia and New Zealand, by delivering world-class customer experiences, harnessing the power of our people, brands and products. The Board aims to achieve this by setting market competitive remuneration packages that consist of a mix of fixed remuneration, short term incentives to reward annual performance and long-term incentives that align to long term financial performance and shareholder value creation.

Our remuneration framework is guided by the key principles of alignment with:

- † Delivery of long-term returns to shareholders through the delivery of sustainable sales and profit growth across the business
- † Delivery of sustainable and growth in dividends flowing from the strong cash flows from its defensible and desirable business
- † Maintaining a strong, conservatively geared balance sheet
- † Adherence to the Group's code of conduct and company values

Remuneration of Senior Executives

The Remuneration and Nomination Committee reviews and makes recommendations to the Board on the remuneration of the CEO, CFO and other senior managers, including:

- † Short and long-term remuneration, including both fixed remuneration and performance-based remuneration;
- † Any termination payments; and

- † Appropriate grants of securities under the Long-Term Incentive schemes that are in place.

In making its recommendations, the Committee ensures that:

- † Remuneration is set with reference to prevailing market rates for similar positions, adjusted to account for experience, productivity and ability;
- † Remuneration packages are designed to motivate senior management to pursue the long-term growth and success of the Company; and
- † A clear relationship exists between performance and remuneration.

Remuneration of non-executive Directors

Non-executive Directors are remunerated by way of fees which are set with reference to the prevailing market rates. They do not participate in the schemes designed for the remuneration of executives, nor do they receive bonus payments or any retirement benefits other than statutory superannuation.
